Return to Work Program(s)

You have been recently contacted by our office to be scheduled for an initial evaluation into the return to work program. Your evaluation is scheduled and it will last approximately 1-2 hours. When attending the initial evaluation we recommend wearing clothing that you are comfortable performing physical activity in. We have enclosed a map to our facility and three questionnaire forms. Please fill out the following forms completely and accurately as possible prior to your arrival for the evaluation.

Direction(s):

From I-95 South/ North: take exit 47 (Route 34) to Downtown New Haven. Take Exit 1 off of connector and go straight (North Frontage Road) at first light continue straight across Church Street and enter second parking garage on right side (Temple Medical Parking Garage). Once in the parking garage take elevator to the 5th floor.

From Route 34/ Downtown New Haven Area: Take Route 34 into New Haven and make a left onto York Street. Take Second right onto George Street. Continue on George Street crossing over College Street. About 150 feet after crossing over College Street the Temple Medical Parking Garage will be on your right. Once in the parking garage take elevator to the 5th floor.
